

testing::TestEventListener

```
classDiagram
    class testing__TestEventListener["testing::TestEventListener"]
    class testing__EmptyTestEventListener["testing::EmptyTestEventListener"]
    testing__EmptyTestEventListener --|> testing__TestEventListener
```

The diagram illustrates a class hierarchy. At the top is a gray-shaded box labeled 'testing::TestEventListener'. Below it is a white box labeled 'testing::EmptyTestEventListener'. A blue arrow points from the top of the white box to the bottom of the gray box, indicating that 'testing::EmptyTestEventListener' inherits from 'testing::TestEventListener'.

testing::EmptyTestEventListener
