

```
testing::internal::  
ElemFromListImpl< T,  
N, I >
```

A diagram showing a relationship between two C++ template classes. A blue arrow points from the bottom box to the top box, indicating inheritance or specialization. The bottom box is shaded gray and contains the base class template, while the top box is white and contains the implementation class template.

```
testing::internal::  
ElemFromList< N, IndexSequence  
< I... >, T... >
```
